SUPPORTED PLATFORMS

Psychiatric Hospital Care

Delaware Psychiatric Hospital (DSH) and their Outpatient Clinic - Sub-Contracted to Medical Support Services to Delaware Psychiatric Hospital (DSH) and their Outpatient Clinic.

AVBRYTA LLC, led by Dr. John Johnson, MD, our health arm, utilize a network of Physicians, Physicians' Assistants, and other medical advisors to support the vast planning and budgeting systems that provide mental health and whole health needs of our patients.

We either provide directly or contract out a list of medical services to DSH to include Psychiatric Advisory Services, Pharmaceutical Services, Outpatient Care Services.

We can support all the mental health care needs of your *Agency Support* and *Active-Duty* Staff.

CYBER SECURITY MANAGEMENT SERVICES

Sub-contracted by Exalt IT & WCTS IT Security Management Services (Entire C&A lifecycle) Contract #: AG-3142-K-10-0104 to Provide Technical Security Support (TSS) and developed a specific strategy required to plan and manage the Plan of Action and Milestones (POA&M) monthly Cyber Security Deliverables, incident reporting and supporting documentation required to meet the USDA security certification and accreditation for FISMA requirements.

Developed and maintained an overall program security plan and individual security plans for all GSS and major applications - Modification of the templates closely parallels **NIST 800-18** but also contains information required by FISMA and the Office of Inspector General audits - Plans developed for C&A conformed to **USDA Cyber Security Guidance Requirements.**

CYBER SECURITY BRIEF

ENTERPRISE SECURITY SOLUTIONS are paramount to protecting the confidentiality, integrity, and availability of information. MBDM, Inc. (MBDM) has security expertise in all security disciplines and uses industry methodologies outlined in the National Institutes of Standards and Technology (NIST) to frame and conduct all security activities. MBDM has vast experience in audit, assessment, and independent verification and validation (IV&V).

Our security team members have over 20 years of security expertise from Policy and Procedures to technical assessment and implementation. MBDM personnel have been preparing Certification and Accreditation (C&A) packages and providing Security Consulting since 1990. MBDM can provide engagement expertise using certified and credentialed experts, regardless of the methodology needed for an assessment, e.g., ISO, COBIT, or NIST.
